

KCM Cable - Product Catalog

Premium Wires & Cables Manufacturer - Pakistan

About KCM Cable

KCM Cable manufactures world-class copper electrical cables for power distribution, construction, industrial automation and infrastructure projects across Pakistan. ISO 9001 certified, 20+ years of excellence.

Copper Wire Range

Size	Type	Application
1mm	99.9% Pure Copper	Power / Building / Industrial
1.5mm	99.9% Pure Copper	Power / Building / Industrial
2.5mm	99.9% Pure Copper	Power / Building / Industrial
4mm	99.9% Pure Copper	Power / Building / Industrial
6mm	99.9% Pure Copper	Power / Building / Industrial
10mm	99.9% Pure Copper	Power / Building / Industrial
16mm	99.9% Pure Copper	Power / Building / Industrial
25mm	99.9% Pure Copper	Power / Building / Industrial
35mm	99.9% Pure Copper	Power / Building / Industrial
50mm	99.9% Pure Copper	Power / Building / Industrial
70mm	99.9% Pure Copper	Power / Building / Industrial
95mm	99.9% Pure Copper	Power / Building / Industrial
120mm	99.9% Pure Copper	Power / Building / Industrial
150mm	99.9% Pure Copper	Power / Building / Industrial
185mm	99.9% Pure Copper	Power / Building / Industrial
240mm	99.9% Pure Copper	Power / Building / Industrial
300mm	99.9% Pure Copper	Power / Building / Industrial

Silver / Aluminum Range

Available from 0.25mm to 300mm - precision wires for specialty and high-conductivity applications.

Coils Stock

All coils in stock: 3/29, 7/29, 7/36, 7/44 and many more sizes available on demand.
